

Build-Up Account

The BGL build-up account is a product which allows individuals with capital below the minimum account value for a stockbroking account to preserve their capital whilst generating a return with a view to build-up the funds to the required minimum. Contributions can be made regularly (monthly, quarterly etc) or at any time.

Features

- Minimum product cash investment of **₦100,000**
- Guaranteed return of **5% p.a.**
- Guaranteed Zero principal erosion
- Withdrawals will incur a penalty of **15%** of accrued investment return
- Easy conversion to stockbroking account upon realisation of minimum account opening value
